Dear ,

The Grosse Ile Community Recreation Commission is requesting your help with updating a five-year comprehensive master plan for recreational facilities, programs, and management.

To achieve the overall goal of the plan, the process must be customer driven and oriented. Input from residents, community leaders, school supporters, business owners, and volunteers is being aggressively sought. The needs and ideas will be integrated into a plan representing the priorities of the community as a whole. With strong working relationships, the use of community resources will be maximized for the benefit of all residents.

It is because of the dedication and proven interest in the future of Grosse Ile that members of interest groups such as yours are being asked to attend a **FOCUS GROUP WORK SESSION**. Each interest group is assigned to a specific focus group and meeting time. Each session is allotted forty-five minutes. During this time, a representative from each interest group will have the opportunity to state the views and needs of his or her respective group regarding the future of recreation in Grosse Ile. In the interest of time, we ask that only one representative from each interest group attend the focus group work session. The date and location is as follows:

**Wednesday, November 18, 2009**  
**Parke Lane School Cafeteria**  
**21610 Parke Lane**

**A schedule of meeting times is enclosed.**

Also enclosed is an information form. To facilitate the public input process, we ask that you complete the form and bring it with you to the meeting. You can also mail or deliver it to:

**Grosse Ile Recreation at Water's Edge; PO Box 185; 25215 West River Road, Grosse Ile, MI**  
This will ensure that all groups have the opportunity to contribute to the planning process. It is important that you complete the form even if you are unable to attend the meeting.

A sound recreation plan is an expression of the community's objectives, needs, and priorities for services and facilities. The plan's intent is to serve as a guide for policy formulation and decision-making as it relates to services and facilities provided by and through the Recreation Department. With community support and direction, the Grosse Ile Community Recreation Commission will be better able to meet the needs of the residents by providing both traditional and new opportunities that are practical and fiscally realistic.

We sincerely thank you for your assistance.

**The Grosse Ile Community Recreation Commission**

With strong working relationships, the use of community resources will be maximized for the benefit of all residents.

It is because of the dedication and proven interest in the future of Grosse Ile that members of interest groups such as yours are being asked to attend a **Water's Edge/Centennial Farm FOCUS GROUP WORK SESSION**. Each interest group is assigned to a specific focus group and meeting time. Each session is allotted ninety minutes. During this time, a representative from each interest group will have the opportunity to state the views and needs of his or her respective group regarding the future of recreation in Grosse Ile. In the interest of time, we ask that only one representative from each interest group attend the focus group work session. The date and location is as follows:

**Thursday, November 19, 2009**

**Parke Lane School Cafeteria**

**21610 Parke Lane**

**A schedule of meeting times is enclosed.**

Also enclosed is an information form. To facilitate the public input process, we ask that you complete the form and bring it with you to the meeting. You can also mail or deliver it to:
